AMERICAN LARYNGOLOGICAL ASSOCIATION.

The American Laryngological Association announces that it will receive essays or theses relating to the art and science of laryngology and rhinology for consideration of the Casselberry Award for 1982-83. The Award is open to physicians, interns, residents and graduate students in laryngology and rhinology in the Americas and scientists in the field of laryngology and rhinology.

For information write to: Eugene N. Myers, M.D., Secretary, American Laryngological Association, 230 Lothrop St., Suite 1115, Pittsburgh, PA 15213.
